

# Bible Memory Work

Each week on Friday, the first grade students are asked to recite the Bible verse for that week. The verse will be individually recited to me at my desk, and each student will receive a grade. The reference also needs to be memorized. The verse will be practiced each day in class, and I would like your child to quote it to you once a day. A good time to practice it is when you are praying with them before bed. You will find the verse on the Bible note and the First Grade Note which lists all of the things we will learn that week. These notes will be in the Tuesday folder.

## Tests

During the weeks of school which have five days, I will follow this testing schedule:

Monday	Writing Test
Tuesday	Math Test
Wednesday	Phonic Test (After spelling is started, the spelling words will be included in the Phonic Test.)
Friday	Bible Verse Test

The tests will not start until we have completed several weeks of school. Your child does not need to study for the writing, math, or phonics unless I tell you that they need extra help. The spelling words and the Bible verse will need some practice at home. The graded tests will be sent home in the Tuesday folder. Please look at the tests, sign them (this is just so I know you had a chance to see them), and return them in the Tuesday folder.
