

# Welcome to 5<sup>th</sup> Grade!

Hi! I am so glad to have your child in my class this year. I am looking forward to getting to know them, and growing with them both spiritually and academically. It is going to be a great year filled with lots of learning activities. I am available at any time if you should ever need to call me please feel free. It will be my pleasure to work with you as a team in educating your child. This handbook contains valuable information on classroom policies. Please look over it and let me know if you have any questions. Thanks for your support.
