

### Discipline Plan

Each kindergartner begins the week with three cards. A student will lose a card if he/she breaks a rule or if Mrs. Brown feels it necessary, because of other disruptive reasons. If the child keeps the monkey card and the yellow card by Friday, the child will be able to choose out of the "treasure chest". If the child loses the monkey card only on or before Friday, Mrs. Brown will choose out of the treasure chest for the child. If the child loses both the monkey card and the yellow card the child will be unable to receive a treasure that week. Each week they start over with the monkey card and the yellow card. I am hopeful all my students will have all cards every Friday.

They also have an orange snack card. This card can be replaced each day. If a child has lost both the monkey card and the yellow card, and needs to pull a card they will pull their orange snack card. This means they will not receive the P.M. snack for the day. This card can be replaced each day. If a child pulls the card after the P.M. snack, they will lose it for the next day. I have found some students need a new chance each day.

### Snacks

The A.M. snack will be sent out on a snack calendar and each student will bring the snack box home the night before. This also needs to follow the snack policy guidelines.

The P.M. snack will coordinate with the theme we are studying at that time. I will send out a snack calendar each month and it is also on our web site on the kindergarten page.

### Dixie Cups

Please do not send water bottles. We have a sink and the children are allowed to get drinks when necessary, using the Dixie cups provided.
