

Grades

During the first nine weeks, kindergarteners will receive either a satisfactory or needs improvement grade. Starting in the second nine weeks, letter grades will be assigned.

Your child's Bible grade will be based on the memory verse each week.

Reading grades will be based on both reading homework and in-class work.

All other grades will be based on graded papers.

Daily Folders and Tuesday Folders

Students will be provided a Daily Folder. This folder is to be checked daily and returned to school with your child everyday.

The Tuesday Folder will be sent home every Tuesday. This folder will contain important information such as progress reports, reports cards, payment receipts, and teacher notes. Please read, sign, and date the papers and return the folder to school on Wednesday.

Each folder will contain a section for items which need to be returned to school.
