

Library

I have started an in-class library. The students will be allowed to check out books starting the second Monday of the school year. There are books of all levels available, and all have been checked for appropriate content. If your child has a younger sibling, it would be wonderful to have him or her read to that child! Only one book at a time may be checked out. Please help your child remember to return their book so they may check out another.

Birthday Parties

If you would like to send or bring treats for your child's birthday, that would be great! All parties will be held at 2:45. Your child's treats will be used for that day's snack. Please do not send gifts or bags of treats to this party. If you would like to send a gift for our classroom from your child such as a book, game, or ball for recess that would be wonderful.

Classroom Parties

Christmas Party Dec. 20th @ 12:30

God's Love Party Feb. 14th @ 2:00

Resurrection Party Apr. 5th @ 2:00
