## **Tuesday**

Every Tuesday, your child will come home with a yellow folder. This folder contains important information that should be looked over carefully. You will need to sign the folder and return it every Wednesday.

## **Show and Tell**

Show and Tell are on Friday. Our show and tell will correlate with the letter we are studying. I will let you know the letter we are studying and your child will need to bring a show and tell that begins with that letter. I will let you know when we will start show and tell in one of the upcoming weekly letters. School policy states that students are not allowed to bring toys to school and show and tell will be the only exception.

## **Nursing Home**

It is planned for us to do nursing home visits. I will announce at a later date which nursing home and when.
