

May 14, 2013

Dear Parents,

We made it! I'm so proud of your children. They've worked very hard this year and they've grown so much as a class. I can hardly believe it's already time for summer break, but I know everyone is ready for it. It's been a great year and I'm thankful that you all let me teach your children. I think I learned just as much as they did!

This week we have fun things planned...but no tests!!

*Thank you so much for all of the wonderful gifts I received last week! You have blessed me tremendously.*

Have a fantastic summer!

*Mrs. Basinger*
