Dear Parents,

I can't believe this is my last note for you! I know I have been saying it the past couple weeks, but I can't believe this year is already over! It has gone so fast. I want you to know how much I have enjoyed each and every one of your children. I feel like I have gotten really close to them, and I am going to have a hard time letting them go. Here is a schedule for the remainder of the year:

Wednesday (15) - Math Test, History Test

Thursday (16) - None

Friday (17) - Talent Show, Early Dismissal, Graduation

Monday (20) - Parent/Teacher Conferences

Thank you all SO MUCH for all the wonderful notes and gifts for Teacher Appreciation last week! I was so blessed by each thing. All my students wrote me such sweet notes, and I appreciate the kind words from you all as well.

Thank you to all the parents that went on the field trip. It sounds like the kids had a great time. They were very well-behaved at both Celebration Station. I am very proud of them.

This Friday, May 17, is sixth grade graduation. It will be in the school's gym at 7:00 p.m. Please have your child there no later than 6:45. See Mrs. Quiring's note for the dress code. Your child may need to bring something for the class will at graduation. At the time I am writing this note, we have not finalized those things yet, but I just want you to be aware that they may need to bring something. Please check with them.

Parent/Teacher Conferences are next Monday, May 20. You should have received a time in your folder last week. I am looking forward to meeting with each of you.

As I have said several times this year, thank you, again, for the opportunity to teach your child this year. Each one of them has been a blessing to me multiple times this year. Thank you for all your support and willingness to help out in various classroom and school activities. It has been an awesome year, and your students are going to to great in junior high. I am expecting to hear great things from them in the future, but I hope they remember to come back and visit their former teachers. I am really going to miss them next year.

As always (and for the final time this year!), if you have any questions, please don't hesitate to call me. Have a great week and a fabulous summer!
