

FIRST GRADE
May 13 - 17, 2013

Dear Parents,

Thank you for making this a great year. This year your first graders were so eager to learn and very easy to teach. I enjoyed having each one in my class. I think it will be a year that I will always remember as one of the easiest teaching years that I have had. I really enjoyed getting to know your children and listening to all their stories.

The snacks were wonderful last week. We will continue to talk about different countries this week. Please check the snack calendar to see if you need to send a snack this week.

This is just a reminder. You should have 9 readers at home. You should also have a book called A Handbook for Reading. You may sell the readers, but **do not sell the handbook**. The handbook is used again in second grade. You may sell your geography book called My America. It will not come home until Thursday, May 16.

On Tuesday, May 14, at 10:30 we will have our Awards Assembly in the gym. Each child will receive a button stating one of the character qualities that I noticed in them. You are welcome to come.

Sincerely,
Mrs. Peters
